Dear Ms. Boyd:

Pursuant to the provisions of S.C. Code Ann. § 58-3-260 (Supp. 2009) and as Mr. Scott's designee, I am attaching my certified statement with copies of the certified statements from all persons present (see sign in sheets also attached) at the March 31, 2010 Allowable Ex Parte Communication Briefing by the S.C. Forestry Association regarding the status of wood biomass inventory in South Carolina and barriers and opportunities to this emerging industry. The Allowable Ex Parte Communication Briefing was held at 3:00 p.m.

Please find enclosed a copy of the verbatim transcript of the briefing and accompanying presentation materials. Any written materials utilized or referenced at the briefing by any of the attendees or Commissioners are included with the exception of the following references:

1. References by Tim Adams to Potential for Biomass Energy Development in South Carolina ("The Harris Report"), available at <http://www.state.sc.us/forest/prod1004.pdf>.
2. References by Bill Falls to Biomass Energy Potential in South Carolina, available at <http://www.scbiomass.org/Publications/Biomass%20Conspectus%208-5-08.pdf>; and Analysis of Renewable Energy Potential in South Carolina ("the LaCapra study"), available at <http://www.energy.sc.gov/publications/Renewables%20Potential%20Final%20Report%20-09-12-2007-B.ppt>.

As these documents are voluminous, I would request that you post the corresponding website links.

It is my understanding that the transcript of the briefing will be posted on your website, and this transcript is incorporated by reference in all certified statements. The transcripts are intended to satisfy the summary requirement of § 58-3-260(C)(6)(a)(ii).

As required by law, please post all documents relating to these briefings on your website.

Thank you for your assistance.

Sincerely,
