Re: Allowable Ex Parte Communication Briefing held on November 30, 2007

Dear Mr. Terreni:

Pursuant to the provisions of S.C. Code Ann. § 58-3-260 (Supp. 2006) and as Mr. Scott's designee, I am attaching my certified statement with copies of the certified statements from all persons present (see sign in sheets also attached) at the November 30, 2007 Allowable Ex Parte Communication Briefing regarding Duke Energy Carolinas, LLC, Progress Energy Carolinas, Inc. and South Carolina Electric & Gas Company concerning drought ramifications and utility mitigation actions. The Allowable Ex Parte Communication Briefing was held at 10:30 a.m.

Please find enclosed a copy of the verbatim transcript of the briefing and accompanying presentation materials. Any written materials utilized or referenced at the briefing by any of the attendees or Commissioners are included in the binder with the exception of a reference by Duke Energy Carolinas to Duke's Catawba-Wateree Relicensing Application, Comprehensive Relicensing Agreement and Low In-Flow Protocols filed with the Federal Energy Regulatory Commission in 2006. As these documents and information are voluminous I would request that you post the following website link: <http://www.duke-energy.com/lakes/Catawba-wateree-relicensing.asp>.

It is my understanding that the transcript of the briefing will be posted on your website, and this transcript is incorporated by reference in all certified statements. The transcripts are intended to satisfy the summary requirement of § 58-3-260(C)(6)(a)(ii).

As required by law, please post all documents relating to these briefings on your website.

Thank you for your assistance.

Sincerely,

Jeffrey M. Nelson
