Re: Allowable Ex Parte Communication Briefing on the Status of the Merger of SCG Pipeline, Inc. and South Carolina Pipeline Corporation conducted July 18, 2006

Dear Ms. Hammonds and Ms. Cartledge:

Thank you for your assistance with South Carolina Pipeline Corporation's ("SCPC") ex parte briefing yesterday. As we discussed, certain documents were referenced during that session that were not identified in SCPC's prepared materials. Links for those documents are provided below:

1. SCG Pipeline, Inc.'s web-site: www.scgpipeline.com
2. Emergency Gas (Supply Related) Dockets
 - SCPC Docket No. 2005-261-G
 - SCE&G Docket No. 2005-260-G
3. Experimental Resale Firm Service and Transportation (RFT) Agreement by and between SCPC and City of Orangeburg
 - Docket No. 2002-247-G
4. FERC agenda meeting, July 20, 2006.
 - Craig Cano, *Senate confirms three new FERC commissioners*, Gas Daily, (July 17, 2006), page 6. ("The new members are not expected to participate in FERC's July 20 regular meeting, which will be the last for Commissioner Nora Mead Brownell.")

I believe that is a complete list, subject to review of the transcript which is being prepared. However, should you find any additional documents mentioned, please do not hesitate to contact me.

Thank you for your assistance in this matter.

With kind regards,

Patricia Banks Morrison
