RE: South Carolina Electric & Gas Company
Posting Amended Notice of Request for Allowable Ex Parte Communication Briefing
Docket No. NDI-2014-3-E

Dear Ms. Boyd:

As a result of the inclement weather experienced during the week of January 27, 2014, South Carolina Electric & Gas Company ("SCE&G") was unable to conduct its Allowable Ex Parte Communication Briefing scheduled for January 29, 2014. By letter dated January 27, 2014, SCE&G informed the Public Service Commission of South Carolina ("Commission") that SCE&G would consult with Commission staff and the South Carolina Office of Regulatory Staff ("ORS") to determine a suitable date to reschedule the briefing. SCE&G has completed this task and therefore, respectfully requests that the Commission reschedule the briefing for February 27, 2014, by posting the attached "Amended Notice of Request for Allowable Ex Parte Communication Briefing" on its website no later than February 19, 2014. SCE&G has confirmed that the Commissioners and Commission employees identified in the attached Amended Notice, as well as the Executive Director of ORS, are available and willing to attend the briefing as described in the attached Amended Notice.

By copy of this letter, we are notifying ORS of SCE&G's request.

If you have any questions, please advise.

Very truly yours,

K. Chad Burgess
