South Carolina Public Service Commission Launches New A.I. Assistant on Agency Website

Columbia, South Carolina—On August 6th, 2026, the Public Service Commission of South Carolina launched an A.I. assistant function on the agency's official website (www.psc.sc.gov). This application, adapted from SC.gov's Bradley assistant, allows users to research publicly available PSC information, including:

- Docket information
- Hearing schedules and details
- Commission information
- Orders and other publicly available documents
- General PSC-related questions

As users interact with the A.I. Assistant, it will better learn to direct them towards relevant information, and the PSC encourages those interested in the agency's operation and in regulatory matters and decisions to begin exploring the capabilities of the A.I. Assistant.

For more information, email contact@psc.sc.gov, or call 803.896.5100. You can also follow the Commission on [Facebook](#), [LinkedIn](#), [Nextdoor](#), and [Instagram](#).
