### **South Carolina Public Service Commission Schedules Hearing in South Carolina Public Service Authority Docket**

*Columbia, South Carolina*—The Public Service Commission of South Carolina has scheduled a hearing in [Docket No. 2025-177-E](#) for Tuesday, August 26<sup>th</sup>, 2025, at 10 a.m. in the PSC's Hearing Room (101 Executive Center Drive, Columbia, SC 29210). This Docket involves South Carolina Public Service Authority (Santee Cooper)'s application for a Certificate of Environmental Compatibility and Public Convenience and Necessity for the construction and operation of the Wassamassaw to Indian Field 230-kV line and associated facilities.

In its application, Santee Cooper is asking the PSC to issue a Certificate of Environmental Compatibility and Necessity:

- To provide an initial 230-kV source to the Indian Field 230-115 kV substation,
- To provide additional networked transmission paths to Berkeley, Charleston, and Dorchester Counties which are experiencing significant load growth, and
- To mitigate thermal loading violations identified by transmission planning assessments as such thermal loading violations constitute violations of North American Electric Reliability Corporation (NERC) transmission planning standards

More information about this hearing can be found on the Commission's Docket Management System [at this link](#). This hearing will be broadcast live [at this link](#).
